

RESOLUTION

A RESOLUTION OF THE VILLAGE OF BANCROFT BOARD OF TRUSTEES, BANCROFT, NEBRASKA.

BE IT RESOLVED by the Village Board of Bancroft, Nebraska that the following rules and objectives be adopted for the Bancroft Cemetery.

1. To place the following regulations on upright markers:
 - A. The overall height shall not exceed four (4) feet.
 - B. Foundation shall not exceed a width of twenty six (26) inches.
 - C. Vases may only be placed at the ends of the marker, they shall be included in the precast and there shall be a minimum of five (5) inches of cement extended from the vase to protect them during mowing.
 - D. All vases added to existing markers shall have their extensions the full width of the precast to keep them from breaking off or separating from the marker.
 - E. No markers shall be supported by the vault but exclusively by the precast foundation.
2. To clarify that the design of the marker shall not be offensive to the general public or to the neighboring lot owners.
3. To adopt a policy of no permanent plantings on individual graves because of perpetual care needs.
4. To consider a possibility of a perpetual care fee increase to cover; the cost of weed and grass control, landscaping and maintenance.
5. To require a permit for any monument company to operate at the cemetery so that the Village of Bancroft can make sure all companies are insured for any damage that might occur to other graves or markers while they are working at the cemetery.
6. The Village of Bancroft will not purchase lots from any person or their descendants that presently own lots in any part of the cemetery, but will accept them as donations back to the Village if they do not wish to utilize the grave sites.
