The village clerk would like to inform you on some of the village ordinances:

- Pets must be registered and licensed with the village clerk each year. Proof of vaccination must be on file with the clerk when licensing your pet. Pet vaccination clinic is held at the end of April every year.
- All dogs must be on a leash or inside a fence while they are outside.
- A building permit must be approved by the village board before construction can start, this includes adding a deck to your house or a small shed in your yard.
- Sidewalks must be kept clear of snow during the winter months.
- Grass should not be blown into the streets while mowing since that causes problems with our storm drain system.
- ATV's may be driven in town if they are registered each year with the village clerk or village police officer. ATV permits cost \$25 and proof of insurance must be on file with the village while registering. ATV's may only be operated by persons 18 years or older, orange flag must be present on ATV and speed limit to be followed.
- Village brush pile is located on the south side of Elm Rd (1/4 mile east from corner of Elm Street and Hwy 16). Brush pile is only for lawn and garden waste and small branches 8"-10" in diameter.
- Cuming County Public Power is in charge of billing for electricity, water, sewer and trash. Water deposit of \$200 is required for new homeowners and renters.
- Gas service comes from Black Hills Energy and phone, internet and cable services provided by Great Plains Communications.
- Village board meetings are held the first Monday of each month at 7:00 PM in the village office located at 322 Main Street.
